PARENT/GUARDIAN: While every effort will be made to provide students with their most desired elective choices, placement will also depend on staffing, enrollment, and the possibility of scheduling conflicts. Please consult with your child's case manager and/or school counselor to assist you in selecting courses that are best suited for your son/daughter's learning needs. Additionally, an intervention support class may replace an elective if a student is not demonstrating consistent mastery of grade level skills.

I understand that the school reserves the right to change a student's schedule based on scheduling needs, course availability and/or conflicts. Your signature below indicates approval of this course selection sheet.
