## Hayfield Secondary PTSA Website

PTSA's mission has always been to support students, staff, and families - this year we'll shift our focus to broader community outreach and advocacy.

When you join the PTSA you are also joining the State and National PTA which gives you membership to the oldest and largest child advocacy organization in the country - with a formal state and federal legislative program.

Programs the PTSA sponsors include: Military Families Connect, Special Education PTA (Liaison), Hawk Pantry, Reflections, All Night Grad Party, Senior Scholarships

We strongly encourage all students, staff, and parents to become members of the PTSA - *your membership gives you a vote; your vote is your voice* - YOUR VOICE MATTERS! Get announcement and stay connected via our website <https://hayfieldssptsa.ptboard.com/home>, like and follow us on twitter [@hssptsa](https://twitter.com/hssptsa) and FB <https://www.facebook.com/hssptsa>.

# Get Involved!
