

DONATIONS

“Club Orange”, Hayfield Middle School’s After School Program, accepts any and all financial or equipment donations. ***No financial donation too small...no equipment too old!***

Your donation will be used to maintain and promote a high quality, highly effective and engaging educational resource for our middle school children to take advantage of every day after our normal school day ends.

We provide this program free of charge to all middle school students.

Snacks are provided daily, as are club and activity supplies (e.g. pencils, pens, markers, paper, basketballs, footballs, video games, etc.). The program is funded by generous grants from the Fairfax County School Board, the Fairfax County Board of Supervisors and the Department of Army’s “Army Youth Program in Your Neighborhood” (AYPN) initiative. While these funds go a long way in operating and maintaining a successful program, they are not limitless.

Here is where you can help. Make your financial donation by filling out the bottom portion of this flyer and returning it, along with your donation, to Mr. Adam Fitzgerald, Club Orange’s Director. Equipment donations (for example: *art supplies, sports equipment, video games, comic books, general school supplies, etc.*) can be dropped off to Mr. Fitzgerald. All donations can also be dropped off at the Main Office or at your child’s sub-school.

Thank you very much for your consideration!

Yes, I want to help Hayfield’s “Club Orange”!!

I have enclosed cash/check in the amount of _____. (Please make checks payable to “Hayfield Secondary’s After School Program”.)
