Grade 11 College and Career Planning

A quick reminder that **the second half of our VIRTUAL college planning series,** "*Pre-Flight Checklist: Advice from Admissions Professionals*" is **next Thursday, April 15 at 6:30 p.m.** College admissions professionals will share their insider tips on finding the right college for you, and what they are looking for when they read applications. Please [register for the program here](#) and we will email you a Zoom link to the event. (Remember to use a personal email address to register, because Zoom can't email a link to your FCPSSchools.net account.)

If you missed the March 22 session with your counselors ("*Pre-Flight Checklist: College Planning for Juniors*")**,** you can find the recording, handout, and PowerPoint in Schoology: Courses > All Students > (left side of screen: Materials) > Class of 2022 Information > Junior Program (March 22) Pre-Flight Checklist: College Planning for Juniors.

As always, if you want to talk to your School Counselor or the College & Career Center, they are available during office hours on Mondays from 10:30-11:30 a.m. and Tuesday- Fridays during lunch (11:30- 1:00). To find their virtual offices in Schoology, go to Courses > All Students > (left side of screen) Collaborate Ultra.

STARTALK Summer Program

Fairfax Academy is proud to be offering STARTALK for the second summer in a row.

STARTALK is an NSA grant-funded program focused on Korean language and culture *(in addition to dance and music)* that is available to rising 9th-12th graders. Registration is currently open, and *spots are limited* in this intensive summer enrichment program.
