## Hayfield Student Services Newsletter 1/14/22

### Purple Star Town Halls

Hayfield is proud to be one of the first secondary schools in FCPS to receive a Purple Star, a national recognition that signifies a school is military friendly and committed to military-connected students and families. We are excited to pass along information about this community engagement opportunity, Purple Star Town Halls, which will gather together virtually stakeholders to share across the nation how to better support Military Connected Students and families!

### Honoring the Legacy of Martin Luther King Jr. with Volunteer Fairfax and FCPS Service Learning:

In a recent FCPS Employee e-newsletter, information about the MLK Jr. Weekend of Service event was posted. A copy of the message is below and please share with any students and families who might be interested.

Martin Luther King Jr. Day is a federal holiday held on the third Monday in January (January 17 this year) and is observed as a national day of service. This day of service helps to empower individuals, strengthen communities, bridge barriers, address social problems, and move us closer to Dr. King's vision of a "Beloved Community."

FCPS will be teaming up again with Volunteer Fairfax who will facilitate a weekend of service to provide service opportunities for all ages. Volunteer Fairfax will begin offering both virtual, in-person, and family-friendly activities January 15-17.

To learn more about the Martin Luther King Jr. Weekend of Service and specific service activities, visit Volunteer Fairfax's website for more information.
